Newsletter

Issue 41: January 2024

Reminders !

Training & Delegation Logs **MUST** be sent to us with start & end dates for **All** staff who start or finish on **FEED1**

As our study stops recruitment in September 2024, we strongly encourage anyone who is interested in the API scheme to sign up now before its too late as 6 months is needed to complete the scheme.

Rando/Macro Access Requests

Don't forget we need requests to be emailed to us from the staff member who needs access.
